DAUGHTERS OF THE AMERICAN REVOLUTION

"Our emblem is a Golden Wheel
Banded with deepest blue
Each shining spoke tipped with a star
The distaff showing through;
The only jewel in the world
That money cannot buy
Without such proof of ancestry
As no one can deny."

THE PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

I pledge allegiance to the Flag of the United States Of America and to the Republic for which it stands; one Nation under God, Indivisible, with Liberty and Justice For all. **--Francis Bellamy**

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws; to respect its flag and to defend it against all enemies.

---William Tyler Page

THE STAR SPANGLED BANNER
By Francis Scott Key

OH! Say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming.
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming.
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave.

THE PREAMBLE OF THE CONSTITUTION OF THE UNITED STATES OF AMERICA

WE THE PEOPLE of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America
